Greetings Eagles Parents,

I cannot remember a year when we have seen so many changes at the end of a school year. Many of you now know that your kids are leaving Jefferson and going to another school. We have gotten to know your kids and have enjoyed working with all of them. They are part of our Jefferson family. We are sad to say goodbye to so many kids with whom we have built relationships.

All across the district teachers have to say goodbye to kids they care about and students are saying goodbye to the adults they trust. Every school staff is invested in the kids that go to their school. Each elementary school in the district does essentially the same things with their students and Jefferson will transfer your child's information to their new school so that they will be prepared to receive them. Whichever MVSD school your child attends, you can rest assured that they are in good care.

However, we know change can be tough. Please help your kids to accept the change of school and see it in a positive light. Talking about change is the first step in the process. We will do our part here and work to make sure the transition will be as successful as we can make it for the benefit of the kids.

This summer continue to have your kids read, do real life math and encourage them to learn from the world around them. Explore your surroundings and remember to have fun! Life with kids goes by quickly, so enjoy your children every day you can. Before you know it, September will be here with a new beginning for all of us.

It has been my pleasure to work with you and your kids while they have been at Jefferson. I wish them all the very best. For the kids that are remaining, next year will be like starting over as well since 2/3 of our students will be new to us. This creates some great opportunities for all of us.

Enjoy your summer!
 Tim Newall, Jefferson Principal

WASHINGTON STATE LAW allows parents to keep sunscreen at school for their student without having an order from a doctor. However, because teachers may not always be able to apply the sunscreen, parents wishing to have sunscreen at school for their student must teach their student how to apply it safely. Parents should ensure that their student is not allergic to the ingredients found in sunscreen, and should teach their student to apply sprayed sunscreen away from others so that it does not trigger asthma symptoms or get into the eyes of another student. The law states that the school will not incur responsibility for any injury that may occur because of sunscreen application.

**JEFFERSON ELEMENTARY
 2018-2019
 YEARBOOKS**

Jefferson's 2018-2019 Yearbooks will arrive soon. Yearbooks will be on sale from **June 3 - June 14** while supplies last. **The Yearbooks are in full color and the cost is \$11.00 each.** Yearbooks will be distributed as they are purchased.

**2019 - 2020
 Grade-Level Supply Lists ...**

may be found posted on each school's website.

On the district website, <http://mountvernonschools.org>,

go to "Schools" in the top menu bar. Choose the school you are attending to open their website.

ALL COMMUNITY CELEBRATION
 Congratulate the Bulldog Class of 2019!
 Friday, June 7th @ 11:30am
 Downtown Mount Vernon
