EARLY DISMISSAL

Grades: Kdg - 5th
8:30 AM - 1:00 PM
Each Friday school is in session.

Counselor's Corner

Spring is upon us. This brings lots of different outings, fieldtrips, excitement and wondering about the rest of the year. Please be sure and talk with your children about how much growth they have made this year and what they still need help with.

Sincerely,
Heidi Hixson

Greetings Eagle Community,

The greenhouse is finally enclosed! Mrs. Carlson, Ms. Klier and Mr. Norman have worked tirelessly to get it done and now have projects planned to extend growing year round. One of these is the Garden Club. You will be hearing and seeing a lot about the opportunities for the kids at Jefferson in the future.

The Mount Vernon School Board came to Jefferson to view projects the students did as part of their project based learning (PBL). These ranged from; a shape museum in first grade, to a sustainable community in third grade, to the environmental impacts of plastic in fifth grade. This is a journey we have been on this past year to see if it is something we would like to pursue as a school. I would love to hear your feedback on what the kids shared with you about doing their projects.

With spring weather comes more bike travel to and from school. Remember to have kids wear helmets and bring locks for their bikes so they can secure them while in school. We will have a new secure location for bikes. It will be inside the fenced off area by the blueberry CLT building. This space will add a layer of security while keeping bikes at school. Thanks to parent group for their purchase of the bike rack.

Spring conferences are this month. These conferences are a good opportunity to see how your child has developed this year. It also gives you a chance to talk with their teacher who after six months knows their strengths and challenges. Since there are still three month of school left it offers goal setting for the remainder of the school year. Your attendance is important to us and to your child. It helps to create a partnership which is so important for academic success.

Have a great transition into spring. Enjoy all that comes with this time of year.

Tim Newall

Winter weather and road conditions

can affect the school day schedule. Most local television stations (ch. 4 / Komo, ch.5 /KING, ch. 7/ KIRO) as well as radio stations (KBRC/ AM 1430, KAPS/ AM 660, KRKO / AM 1380, KIRO / AM 710, KOMO AM 100, KAFE / FM104.5) will broadcast school closures or delayed starts the night before or by early morning. Icy or snow packed roads also affect bus routes. Restricted transportation route information will be available on the MVSD website.

PLEASE NOTE: If school is closed or a late start is scheduled for any reason, this also cancels before school programs such as **BAND & CHOIR** and **Student Council**.

Usually related to winter weather conditions

LATE START SCHEDULE - 2-hour delay
10:05 am Arrival (No Breakfast)
10:30 am School Begins
3:00 pm Dismissal: Kdg - 5th gr.
Check MVSD website for limited bus routes due to road conditions.
