Dear Parents/Guardians:

We are super excited to be offering a Bike Club at Jefferson Elementary! We will be teaching them safe bike skills to use on the roads around the school. Students will need to know how to ride a bike. Students need to have working bikes. Pumped up tires, brakes that work, etc.

Helmets must be worn while on rides. Appropriate foot wear is also highly recommended. Flip flops are not the safest choice for riding a bike.

As a parent, you are more than welcome to ride along with us. We encourage following the rules of the road when riding with us. This includes using hand signals, wearing a helmet, riding on the right hand side of the road, not riding on sidewalks and stopping at stop signs.

Every week we will be teaching the students a new safety tip, reviewing skills and riding our bikes! We do ride rain or shine so dress appropriately for the weather.
